## VERSE 1

**D**  
The story begins with light  
You spoke into darkness life  
**G D**  
We praise You, O praise Him

Your glory instilled in the land  
Such beauty engraved by Your hand  
We praise You, O praise Him

## VERSE 2

Though people have cast love aside  
Though nations are caught in divide  
We'll praise You, O praise Him

When family is fractured and lost  
And sorries are just not enough  
We'll praise You, O praise Him

## PRE CHORUS

**Em D/F#**  
And I know I'm a spoke in the wheel  
**G A**  
That is rolling over the broken  
**Em D/F#**  
But I'm done with staying silent  
**G A**  
I was made to be righteous

## CHORUS

**D A/C#**  
O Praise Him now,  
**Em G**  
Every nation and all generations  
**D A/C Em G**  
Praise him now, O praise him now

## VERSE 3

Jesus came down from on high  
And hope came alive in the night  
We praise You, O praise Him

There's power in the blood that restores  
There's joy in the name of the Lord  
We praise You, O praise Him

## PRE CHORUS 2

Now you're here and we're getting ready  
Winds are changing, chains are breaking  
We will stand upon this mountain  
We will sing a little louder

## CHORUS

Praise Him now,  
Every nation and all generations  
Praise Him now  
Join with the heavens, and worship the King,  
He's risen now  
Power and glory, His name echoes holy  
Praise Him now  
O Praise him now

## VERSE 4

One day in heaven we'll rise  
Lifted from death into life  
We'll praise You, O praise Him

Creation will join in one song  
Your Church resurrected and home  
We'll praise You, O praise Him
